# Eggsercizer®

Resistive Hand Exerciser

*The World's Smallest Exercise Machine®*

Enhanced visual and tactile appeal—exactly what professionals wanted in the Eggsercizer® Hand Exerciser. Designed to meet the needs of orthopaedic surgeons, PT's, OT's and exercise physiologists, the new Eggsercizer® is:

- **Supple**—Each level delivers soft, elastic resistance, ideal for rehabilitation.
- **Tack-free**—New surface modification process makes the Eggsercizer® smoother and eliminates stickiness.
- **Color-coded**—Translucent color scheme corresponds with REP Band® color scheme.

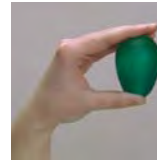

Ergonomically shaped Eggsercizer® provides highly effective rehabilitation and strengthening for hands, fingers and wrists. Small and easy-to-use, Eggsercizer® can be used anytime, anywhere, increasing patient compliance.
